

Company Profile 2023

Our mission is to provide exceptional services as well as creative, cost-effective solutions to meet all our client's needs. We are committed to providing the highest level of professionalism, service response and quality workmanship.

A World-leading Organisation

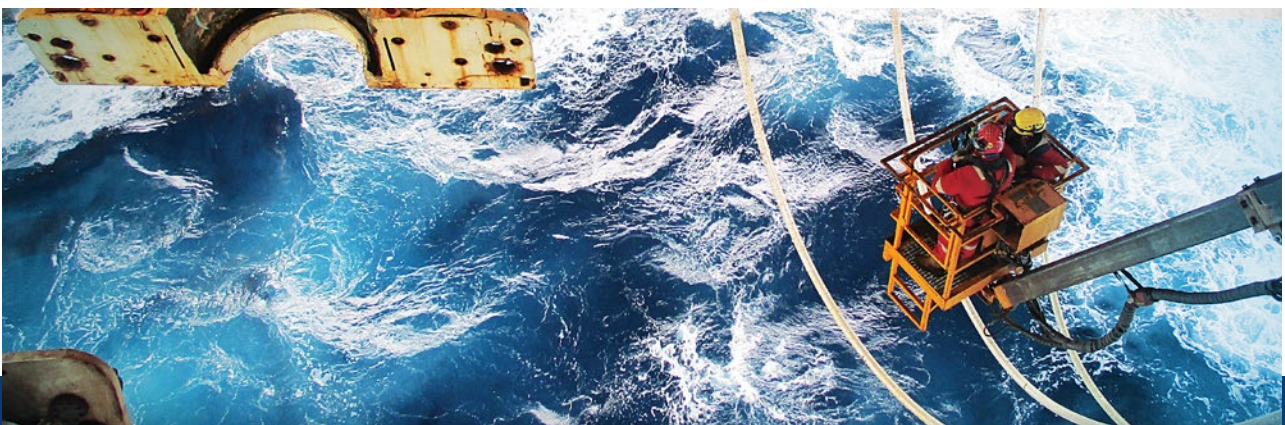

Ocean Inspection & Maintenance (OIM) is head-quartered in Singapore, with branches internationally, including Cape Town and Angola. We are a world-leading organisation, providing specialist topside services and innovative solutions to the international oil and gas industry, both offshore and onshore.

OIM was set up in Cape Town, South Africa in 2018 in order to meet a growing demand for topside inspection and maintenance in the international oil and gas industry.

Leveraging the expertise of OAI as well as that of our founders, our model of providing innovative, cost effective and outstanding service will allow us to deliver in any environment.

Our passion for innovation and commitment to succeed, are ingredients that have stood us in good stead. Our well-established networks throughout Sub-Saharan Africa ensure that we have the perfect team and expertise to facilitate the smooth delivery on all our projects. Our collaborative approach ensures that we forge strong relationships and partnerships with several companies across the globe.

OIM is a leader in the Inspection Industry for the Oil & Gas, Petrochemical, Marine and Renewable Energy sectors.

An Established Network

We pride ourselves on being available to our customers wherever they need us. Our expanding international footprint includes the following territories:

At our core we strive to find solutions by constantly challenging the status quo. We will seek out and embrace technology globally, whilst delivering outstanding services locally.

A Robust Set of Services

OIM works in the topside field, providing Rope Access, Inspection, Testing and Maintenance Services.

	3D Scanning Our FARO scanners produce highly accurate measurements for any project.
	In-Service Inspection You can rely on us to provide Industry qualified and certified inspectors.
	Integrity Management Reliable Inspection of all assets, utilising conventional NDT, UAV and ROV.
	Rope Access Enables inspection and maintenance in transit - no need for dry-docking.
	Maintenance Our creative maintenance solutions use the latest technologies available.
	UAV Inspection Accurate and measurable high-quality data sets mean smarter decision making.
	Class Surveys We offer over 60 years of combined experience in planning and execution.
	Lifting Inspection We are trusted Crane, Hoisting and Lifting equipment inspectors.
	Training For companies or individuals who are interested in continuous improvement.

What Sets Us Apart

Our mission is to provide exceptional services as well as creative, cost effective solutions to meet all our client's needs. We are committed to providing the highest level of professionalism, service response, and quality workmanship.

- ▶ **We believe** that providing outstanding service does not have to come at a premium.
- ▶ **We believe** in actively seeking out new developments in technology and making them accessible to local markets.
- ▶ **We believe** in working closely with our clients and partners to achieve success.
- ▶ **We believe** in the development of skills across the regions in which we operate. We are committed to partnering with local communities and upskilling local labour forces.
- ▶ **We believe** in service excellence and are committed to offering our customers an unparalleled experience.
- ▶ **We believe** in being driven by the core values of care, integrity, passion, ingenuity, collaboration and excellence.
- ▶ **We believe** that the innovative and affordable solutions we provide will enable our client's assets to deliver consistent operational excellence.

We are fully committed to achieving our objectives and making a real impact in the communities in which we work.

Health & Safety is a Priority

Occupational Health and Safety is something that is of paramount importance to us at OIM.

Our Accreditations & Certifications
